ABOUT ME

Full Stack Developer with a B.Sc. in Computer Science (CGPA: 7.87/10) and six months of hands-on full-stack development experience. Skilled in designing responsive web interfaces, developing backend functionality, integrating REST APIs, and working with modern JavaScript and Python technologies. Experienced with the MERN stack, React component architecture, database management, and performance-focused web development. Motivated to build scalable, maintainable, and user-centric digital products.

TECHNICAL SKILLS

Languages:	Python, JavaScript
Frameworks & Libraries:	Flask, NumPy, React.js, Node.js, Express.js
Web Technologies:	HTML5, CSS3, Bootstrap, React.js, Tailwind CSS
Tools & Platforms:	Postman, Git, GitHub, VS Code
Databases:	MongoDB (Mongoose), SQL

EDUCATION

Bachelor of Science in Computer Science — Graduated | Mumbai University | CGPA: 7.87/10

PROFESSIONAL EXPERIENCE

Full Stack Development Intern | 6 months

- Developed 10+ responsive web pages using HTML5, CSS3, JavaScript, React.js, and Tailwind CSS.
- Built reusable React components to improve code reusability and accelerate development.
- Integrated REST APIs using Axios/Fetch to deliver dynamic data and interactive frontend experiences.
- Developed full-stack application features using MongoDB, Express.js, React.js, and Node.js.

PROJECTS

MediaDL | HTML, Tailwind CSS, Python & JavaScript

- Developed a responsive web application with cross-device usability across desktop and mobile environments.
- Implemented URL validation, user interactions, and real-time status updates using JavaScript.
- Optimized application structure and performance to improve responsiveness and maintainability.

Portfolio | HTML, CSS3, JavaScript, Tailwind CSS

- Built a fully responsive personal portfolio website with a focus on usability and modern interface design.
- Implemented client-side contact-form validation to reduce invalid submissions.
- Created interactive components and smooth JavaScript animations to enhance user engagement.

ACHIEVEMENTS & CERTIFICATIONS

- Graduated B.Sc. Computer Science with 7.87 CGPA from Mumbai University (2026).
- Independently built and deployed 4 full-stack projects covering real-time applications, AI integration, and file management.
